

roses are red
violets are blue
this treat is
sweet
and so are *you*

EAT
something
sweet
{you deserve it}

you make my life
sweet
I'd like to return the favor

you're sweet
{but this is sweeter | enjoy!}

a little treat
for someone sweet
{thanks for being you!}

MOST OF THE TIME, LIFE IS
SWEET
but when it's not
there's always
CHOCOLATE
