

## CAKE MIX SUGAR COOKIES

### INGREDIENTS

1 French Vanilla Cake Mix  
2 eggs  
1/2 cup butter (1 stick)  
1/2 teaspoon almond extract

1 can cream cheese frosting OR homemade frosting

---

### INSTRUCTIONS

**Preheat oven to 350 degrees.** Melt butter. Stir cake mix, butter, eggs, and almond extract together until combined. Allow dough to rest 10 minutes (optional, but helps cookies look better). Use a 1.5 tablespoon cookie scoop but underfill it just slightly. Scoop dough onto a lightly greased cookie sheet. Bake 9-10 minutes until edges are just set and tops have cracked. Cool 5-10 minutes on the cookie sheet before removing.

Allow cookies to cool completely before frosting.

Makes 24 cookies.
