

A diagram of a gnome hat template. It consists of a large isosceles triangle with a small horizontal line segment at its apex, representing the brim. The entire shape is defined by thin black lines. In the center of the triangle, the text "GNOME HAT TEMPLATE" is written in a bold, sans-serif font. Below this, the phrase "it's always autumn" is written in a smaller, mixed font style, with "it's always" in a simple sans-serif and "autumn" in a cursive script. A large, thin black arc is positioned at the bottom of the page, below the hat template.

GNOME HAT TEMPLATE

it's always
autumn
